- Minimum order of just 250 bottles
- Custom Bottles from as little as €1.75 each
- Once-off set-up fee of €60E Per Colour Used

Guide Included Below, alternatively you can describe the design you want by emailing sales@caratrade.com

Step 1: Click the link [here](#)

Step 2: Choose from 4 bottle sizes and 3 different cap types: the standard Grip-Cap, the *Soft-Cap* with a soft mouthpiece and the *Pro-Cap* which is over-moulded with a soft mouthpiece and a double enclosure system

Step 3: Choose a colour for the Bottle, Cap and Push (16 colours are available)

Step 4: Add images to the top and bottom parts of your bottle, you can click browse to take from your folders, your logo can have up to 4 different colours, **Please ensure that images supplied are in a vectorised format**

Vectorised Images: This means that the logo must be sent in its original format as made by your logo designer, you will know if your file is vectorised if it is in an **SVG** file, a **JPEG** or **PNG** file will not create good quality screen printing for your bottle. The original file sent to you by your logo designer would've been in an **SVG**(vectorised) format. If you can't find the original file sent to you by your designer, simply contact the logo designer, and ask them to forward the vectorised file to you.

Step 5: Add any text you may want to the top and bottom parts of your bottle, (11 colours and hundreds of fonts are available)

Step 6: Enter your *Name, Order Quantity and Email*, copy **Cara Trade Bottle Program** into the comments then click **send your request** to have a confirmation of request sent to your email address

Step 7: Forward the confirmation of the request to sales@caratrade.com
